MONDAY
National Park Road Trip
(B & A) 3:35-4:45
Buckle up! And get ready for a road trip across america. Each week we will be “visiting” a new National Park, exploring nature, animals, and so much more. Students will bring home a roadmap at the end of the session.

Table Top Tournaments
(A) 3:35-4:45
Board games, Card Games, and more! We will be learning how to play the classics in our game closet and have the opportunity to make our own fun games!

Let’s Sing
(A) 3:45-4:45
Learn and sing a variety of traditional and modern folk songs. A little bit of history inevitably comes to light with many of these songs but much of what we sing is just plain silly. Time will also be spent on our feet dancing, marching and sometimes sitting around our imaginary campfire.  Program provided by Carmag de Forest, Hazel Wolf Parent

Wonderful Watercolors
(A) 3:35-4:45
Participants will explore the diverse artistic painting method of watercolor in this creative class.

Mind Benders
(B) 4:45-5:45
Participants will work on completing and creating challenging mazes, crossword puzzles, bombastic, and more to flex their brain muscles!

Think Tank
(B) 4:45-5:45
Designed for those who have homework to complete with assistant from Y staff, or enjoy challenging themselves by completing grade level worksheets or interactive games. Or maybe you just want more reading time.

TUESDAY
Paper Plate Pals
(A) 3:35-4:45
With a little imagination and a little glue, paper plates can become a variety of creatures and creations. Students will be learning about an animal or idea and creating a paper plate craft.

Spy Kids
(A) 3:35-4:45
Learn skills to become a spy, kids explore secret uncooks, unspoken communication, spy gadgets, and more!

Teamwork Dreamwork
(A) 3:45-4:45
Teamwork makes the dream work! Students will play a variety of team building games – from capture the flag, lightweight, where’s my water bottle, and much more!

Under the Sea
(A) 3:45-4:45
Learn about creatures found in the deep blue sea in this interactive class. From the smallest crustaceans to the gigantic blue whale, participants will learn exciting facts and create art projects centered around one of the most undiscovered places on the planet!

Drama Club
(B) 4:45-5:45
Designed for all kids, from the shy to the outgoing, who want to develop acting skills, singing skills, public speaking skills, self-confidence, and creative thinking skills at their own pace in a fun and positive environment.

Think Tank
(B) 4:45-5:45
Designed for those who have homework to complete with assistant from Y staff, or enjoy challenging themselves by completing grade level worksheets or interactive games. Or maybe you just want more reading time.

WEDNESDAY
Cascade Club
(A, 1) 2:20-3:35
In this class we will explore the 5 Different volcanoes in Washington State. Learn about Rainier, Baker, St Helens, Adams, and Glacier Peak while doing interactive science experiments, and at the end create your own volcano.

Recycled Art
(A, 1) 2:20-3:35
Recycled art is creative work that’s made from discarded materials that once had another purpose. Students will be exploring different mediums through fun, green, recycled projects.

Microsoft Club
(A, 1 & A) 2:20-4:45
Grades 3-5 We will be partnering with the Microsoft store in University Village to complete several coding challenges. Students will be able to code their own robot, play Minecraft build challenges, and so much more. Limited to 8 kids. $200/ FM $ 220/ CM

Slap Shot Floor Hockey (K-2)
(A, 1) 2:20-3:35
You shoot, you score! No longer just a game for a frozen pond, Floor Hockey is a one size fits all game of speed, coordination, and thrill. This gym class favorite is now available after school. Game Play and skill work to include stick handling, dodging, ball control, and of course shooting will be introduced and practiced from week to week. Learn the different ways to put a shot on goal by incorporating wrist shots, slap shots, snap shots, and the backhand. Slap Shot Floor Hockey just might be the first step on the road to the Stanley Cup... All aboard!

Kid’s U Gardeners
(A) 3:35-4:45
Get your green thumb ready, students in this class will create and take care of their very own Kid’s U Garden

Let’s Get Physical
(A) 3:35-4:45
Get ready to explore the world of physics and move your body at the same time! Different physics concepts will be explored while kids are moving and grooving. Let’s get ready and lets get physical!

Multi Sport
(A) 3:35-4:45
Kids get a chance to sample many kinds of sports. Each week will be a different sport including basketball, soccer, football, and many more!

Tiny Town
(A) 3:35-4:45
In this fun, interactive class, students will become city builders and work together to create a tiny town! They will build the city, landscape it, create city infrastructure and more!

Kid’s U News
(B) 4:45-5:45
Hear it here first! Our students will become journalists in this class. Students will report on happenings at Kid’s U and create a newspaper to publish for the rest of the program.

Think Tank
(B) 4:45-5:45
Designed for those who have homework to complete with assistant from Y staff, or enjoy challenging themselves by completing grade level worksheets or interactive games. Or maybe you just want more reading time.

THURSDAY
Leap Engineers
(A) 3:35-4:45
Each week, kids will be presented with a different lego building challenge, and they will race against the clock to complete it! Different topics on design and engineering will be explored each class.

Carpentry A
(A) 3:35-4:45
This program is designed to teach kids k-5 practical wood working skills with an emphasis on the safe use of hand tools. At the end of the session, each child will go home with at least one, but often three or more handmade toys. Program provided by Kid’s Carpentry. Students may only sign up for one Carpentry class per session. Limit to 8 kids per class. *$185

Microsoft Club (k-2)
(A) 3:35-4:45
We will be visiting the Microsoft Store in University Village for a variety of age-appropriate coding workshops! Students will learn to code their own robot, participate in Minecraft challenges, and so much more.

Strings & Things
(A) 3:35-4:45
Finger knitting, lanyards, friendship bracelets, and more! In this class students will create all sorts of stringy creations.

Carpentry B
(B) 4:45-5:45
This program is designed to teach kids k-5 practical wood working skills with an emphasis on the safe use of hand tools. At the end of the session, each child will go home with at least one, but often three or more handmade toys. Program provided by Kid’s Carpentry. Students may only sign up for one Carpentry class per session. Limit to 8 kids per class. *$185

Think Tank
(B) 4:45-5:45
Designed for those who have homework to complete with assistant from Y staff, or enjoy challenging themselves by completing grade level worksheets or interactive games. Or maybe you just want more reading time.

FRIDAY
Colors of the Wind
(A) 3:35-4:45
In this Disney themed class, participants will explore the creative styles and designs of some of the most popular classic and modern Disney movies.

Edible Science
(A) 3:35-4:45
In this class, students will have a blast doing hands-on science projects that they can EAT! From rock candy to edible playdough kids will be sure to have a great time.

Origami & Paper Crafts
(A) 3:35-4:45
The Japanese word for paper folding, origami has been a timeless craft. We will be learning how to make all sorts of paper creations in this class.

Friday Funivities
(B) 4:45-5:45
A combination of physical activity games and classic board and card games to keep their Friday afternoon fresh and fun.
