Thank you for attending our tenth annual Hazel Wolf Auction and Parent Social where we are all Feelin’ Groovy. We’re here to both have a great time and raise funds for our PTSA. Our community continues to grow and prosper in our home, and this is an excellent chance to celebrate the hard work on the part of school leadership, staff and parent volunteers. You are a vital part of continuing to make this a thriving community we are all proud of.

We hope you enjoy some of the changes we’ve brought to the auction this year! Changes were made based on feedback from you! We offered an Online Auction to open up opportunities for all members of our community to support the PTSA and enjoy special events with our teachers. We moved the auction to Saturday night. And, this year we are offering a full dinner to be enjoyed during the auction.

Tonight, open your hearts and give generously to the PTSA funded programs and services that support all of our learners. Here are just a few highlights of all that your donations make possible:

- Enrichment Trips and Opportunities
- Staff and Teacher Grants and Professional Development
- Tutors and Special Teacher Projects
- Family & Community Social Events

ITEM 17: Fund A Need

Hazel Wolf students make a commitment to respect their habitat. Our teachers and staff promote respect by teaching students how to ask questions about the world around them, define problems, and develop solutions. From kindergarteners who are learning to be in nature, to middle schoolers who are designing solutions for the environmental problems that humans have created, our students are going to make our world better because of early exposure to real-world environmental issues. This year’s Fund-A-Need will support Hazel Wolf K-8 staff to continue to develop “storylines” for each grade that weave environmental issues into existing curriculum. To create and sustain such a unique program requires dedicated time, professional development and resources. We would love to provide these for our school as they build a program that will help make our students good stewards of the environment.

ITEM 22: We Bake Bread – You Can Too!
Back by popular demand, Bassim Dowidar continues to share his bread baking skills with our community. Come join us for an evening of conversation and baking. We’ll show you the essential equipment. We’ll mix dough! Learn to roll a baguette and a batard! We’ll proof it, score it and bake it! There’s simply nothing like having fresh bread around the house all the time. Soon you’ll be baking for friends and family, for holidays, for weekends, for weekdays, when you’re hungry and when you’re not. I’ve put about 2000 lbs of flour through our kitchen (conservative estimate) over the last 5 years, and I still get a kick out of watching the bread rise in the oven, forming that beautiful artisan loaf shape and crust.
DATE: Evening of Sunday, May 19, 2019
THANKS TO: Bassim and Kara Dowidar
VALUE: $750

The parents had their turn, now it is time for the Hazel Wolf Staff to enjoy their night of Mystery & Intrigue. Murder Under the Top! Desperate to bolster his circus from a dog-and-pony show to a spectacle that will rival Ringling, Clydes Brown’s dire attempts to lure audiences and show-stopping attractions have created rivalries that extend beyond the center ring. As pressure builds a murder is committed that steals the show… and you are left to uncover the culprit before the final act. Was it the raging ringmaster in an attempt to clean up the spectacle? The talented tight rope walker whose fall took them out of the limelight? A revolting roustabout with revenge in their veins? Or possibly a possessive performer whose death-defying deamor went too far. In an intense world of illusion and intrigue, you must rely on your wit and intuition to find the killer before the grand finale! Details: Tickets will be sold to staff for $50 each
